Recharge

Now, more than ever before, savvy business owners recognize profitability potential when their company works as a team. But how do you get your team to perform and communicate consistently? How do you develop a team that works seamlessly together to achieve their goals? Reward, motivate, recharge, and inspire your group with a Team Building Experience!

Our Team Building Experiences have been developed to bring out the best in your employees. Whether your crew is 10 strong or 1,000, F1 offers a unique group destination to challenge and re-energize your team. Our goal is to provide you with an unforgettably fun high octane event and deliver the best possible experience!

teamwork \'tēm-werk\

: work done by several associates with each doing a part but all subordinating personal prominence to the efficiency of the whole.

Racing challenges bring people together in a unique environment that breaks down departmental barriers, by focusing on a team strategy to reach a common goal. This enables your team members to join forces & collaborate with people they might not ordinarily work with daily. Choose your teams - pair accounting up with sales, human resources with marketing, the CEO with production - and each team will work together to develop their own winning strategy. Add some company-based interactive team trivia and spice up the challenge!

The basic Team Building Experience is fully customizable. Begin by choosing any two events to add to the included package components. Enhance your package by selecting additional items from the list of upgrades.
